PASTOR'S MESSAGE

In the Spring we planned to host a parish barbeque on Sunday, September 23rd. Our plans to promote it have fallen flat. We do, however, feel that a parish barbeque is a great idea to kick off the new pastoral year. So, we hope you forgive the short notice, and come out and enjoy our parish barbeque with your family and friends.

Here's how it works. The parish will pay for the hamburgers, hotdogs, buns, condiments and liquid refreshments. The Knights of Columbus will man the barbecue. Those who can will bring a salad or a dessert and I will provide the ice cream. The barbecue will begin after the 10:30 a.m. Mass. Feel free to bring a lawn chair and some lawn games.

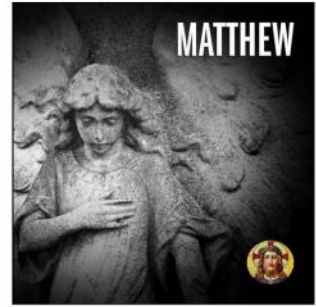

We would like to thank all those who participated in our parish survey. We've posted the results on our parish website. (Front page—scroll down) We've also posted a hard copy on our bulletin board. In our discussion on limiting the amount of noise in the church immediately before and after Mass, we would like to restore the foyer to its original purpose by removing the desk and chair on the right hand side, opening that area to those who want to meet and greet. We also propose to open up all the sliding doors on the hall side, allowing for even greater movement and for particular groups to set up a table or put up a display, and by having a door person open and close the inside doors into the church for those who want to enter the church itself. By putting a little bit more emphasis on the two areas, and the purpose for which they were created, we hope to strike a balance in promoting both the social dimension of coming together and the spiritual dimension of preparation.

Fraternally in Christ,
Fr. Bart van Roijen

SEASON OF CREATION

Within the time set aside as the Season of Creation occurs PEACE DAY, September 16. In the spirit of the angels, let us echo....."Peace on earth....."

A Meditation by Sophie Jakowski

Knowledge must be used to save nature, to restore it. Forests, soils, waters, the flora & fauna, all are necessary. They must be used wisely to permit their renewal.

We cannot use them without considering the future. Future generations, after us, will depend on what is left.

We have duties toward God & toward one another. We also have serious obligations towards nature. Our life depends on it. We owe nature a great debt.

All the things God made are wonderful.
All the things God has made are good.
All the things God has made are beautiful.

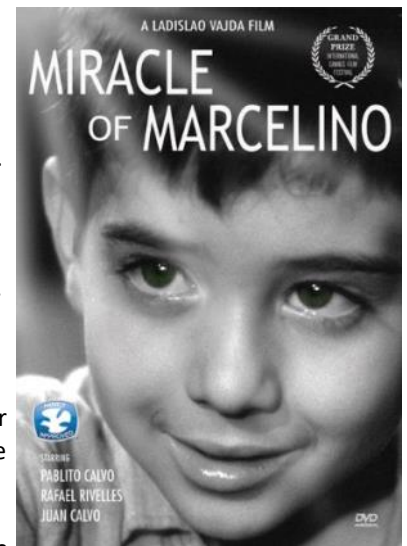

Let us contemplate **nature undisturbed and at peace:**
think of the sky and the mountains...
think of the ocean and the rivers...
think of fields and forests...

Let us look around...
Think of the beauty of the little corner where we live.
There are still many beautiful places on earth that we can protect and make more beautiful.
There are still many plants and animals we can save from extinction.
They may help us survive.

God has given us the intelligence & ability to do this.
Let us **live in peace with the earth.** So be it. Amen!
