This is a topic that will offer some very PRACTICAL advice in dealing with this very challenging issue. For further information, please contact Grant Fuergutz ([250-862-3818](tel:250-862-3818)), Doug Lundquist ([250-763-7336](tel:250-763-7336)) or David Ziebart ([250-762-7855](tel:250-762-7855)).

FROM THE PASTOR

I keep forgetting to let you know about the work going on at the rectory. The knoll with the maple tree had become a real eye sore, and the garage was always getting flooded on that side, and the cement pad in the backyard had broken years ago and was sinking more and more towards the house. So, they replaced the cement; put in a drainage ditch and pit; they will replace the lawn and make the maple tree knoll match Mary's rose garden, which looks better every day. They are also going to run power to the shed to increase the lighting for that end of the parking lot. I want to thank everyone who has been helping so that we all feel proud of our church, inside and out.
