## VIDA IS LEAVING FOR GHANA

---

Sadly, after spending years in Kelowna obtaining her nursing degree, masters, and finally her doctorate, Vida is returning to Ghana to teach nurses at the University at the end of this summer. Not bad for a village girl who put herself through high school by studying at home because her parents could not afford to send her and who was accepted by Okanagan College to come and study nursing here when she received scholarships and awards for her work.

She is still very involved in Project Grow (Ghana Rural Opportunities for Women) and currently has received funding from Rotary to build a clinic in her village but now she needs help in equipping it. Another generous group in Kelowna has given her \$13,000 to ship a container home and she hopes to use the container to ship a vehicle, medical equipment and supplies and her own things.

Vida's needs:

Vehicle – Vida needs a vehicle that will be able to get her into remote villages to bring medical services here. Her family is trying to secure a loan of \$8000 in Ghana to help pay for this vehicle. If you know of a vehicle or can help, here are the criteria –

- Vehicle -     must have high clearance
- 4 cylinder
- 4 doors (at least)
- 2004 or newer with low kilometers
- high carrying capacity
- ideally small SUV, truck or van.
- Supplies -    any medical equipment
- crutches, canes
- scissors, bandages, vitamins
- fridge
- sewing machine and accessories
- filing cabinets
- towels, sheets
- carpentry tools
- medical texts, high school math and science texts

Of course financial contributions are very helpful and probably the most functional. Call Keith 764-2942 for inquiries and help transporting.

Vida is extremely humbled by all the support and kindness she has received at St. Charles.
