

VOLUNTEER POSITIONS AVAILABLE

Ozanam Recovery House, a project of the Society of Saint Vincent de Paul, is a Kelowna-based recovery home for men struggling with addictions and/or mental health issues. Our mission is to promote recovery by providing a Home, Health and Hope. Since opening our doors in 2008, we have helped more than 750 men change their lives!

We are currently recruiting volunteers to support our operation in the following areas:

- **Committee Members** – We are welcoming people with skills in marketing, social media, fundraising and health/wellness to support our board committees. Time commitment is approximately **2-4 hours per month**.
- **Board of Directors** – We are also accepting applications from people who can provide strong and capable leadership in all areas including finance, communications, public relations, facilities management, and administration. Time commitment is approximately **4-8 hours per month**.

This is a great opportunity to gain valuable experience in a stable, well-run not-for-profit while making a difference in your community-.
